

# **South Coast Model Railway Club Ltd**

Company Number 8867636

## **Child Protection Policy**

South Coast Model Railway Club Limited strives to be a family friendly club.

We welcome children and grandchildren, (under 18), of members and we offer juvenile membership of the club to children under the age of 18. We are mindful of Government legislation as it applies to the under 18 age group.

Accordingly children under the age of 18 must be accompanied by a parent, guardian or designated carer, at all times they are on club premises. Children under 18 are not permitted to access the club premises unless this condition is met.

It must be noted that members of the South Coast Model Railway Club Limited are unable to assume responsibility for children's safety. That is the responsibility of the person supervising the child. It is compulsory for all under 18's to sign in or be signed in to the premises by their accompanying responsible adult, who in turn must identify their role as responsible adult in the club signing in book.

Additionally all are reminded that the club premises are located in a working farm/workshop area and no under 18's should be allowed to wander anywhere on the site, with or without their identified responsible adult.

Failure to adhere to this policy will result initially in a verbal reminder of the policy, but repeated incidences could result in the termination of membership.

Your help and compliance with this policy is appreciated.

The Directors  
South Coast Model Railway Club Limited.
